

2012-2013 City of Thomasville

Sewer Hook Up Incentive Grant

This program is effective JULY 1,2012

This grant will provide a rebate up to \$500.00 for plumbing costs associated with connection to City Sewer (Residential, Commercial, Manufacturing, Institutional customers).

The program will end on June 30, 2013.

All work and final inspection must be completed by June 30, 2013.

The grant program is capped at \$50,000.00.

Information regarding the program will be posted in City Hall at the Water Department as well as the Inspections department. The information will be on our website as well as Channel 13.

Procedure

No formal application for the program is required.

Grantee will be required to provide the following documents to be eligible for the Sewer Incentive Grant:

- 1) Proof of sewer tap purchase (or billing reference of sewer base rate)
- 2) a copy of the final inspection approved and signed by the inspector
- 3) Receipts paid to a **licensed** (State Licensed and possessing a City Business Privilege license) plumber OR receipts for plumbing supplies purchased by the Homeowner (Grantee) for the plumbing project to connect that site to the City sewer.

The Billing and Collections Supervisor or designee will sign off that all is complete.

The information packet will be reviewed and signed by the Manager or his designee.

Once the information packet is signed it will be forwarded to the Finance Department for check processing.
